Then we were featured in an article on A**ba Blog, called "A Collection of Works from Current Middle School Girls". That gave us an instant boost in popularity, I guess.
Last year, Ichi***sha comissioned me to draw a Mirakurun doujinshi.

Shall we go on our date now, like I promised?
My doujins sold out faster than I thought they would since you were here with me.
Thanks for coming today.

Okay, I'm going to get this cleaned up then. Hold on a moment.
Y-You brought me all the way out here without an exaplanation, so that's the least you could do!!
Umm... excuse me.
Is Kyogokuin-Sensei here?

whisper
Sorry Ayano, give me a minute.
whisper
Turn
Yes, I'm Kyogokuin Ramuko.
Eh?
Sorry to keep you!
Sure thing.. I can draw it right away, can you wait a moment?

Hey!! Why are they holding hands!? I haven't even gotten to hold her hand that much!!

Sorry about that.
Let's get going.

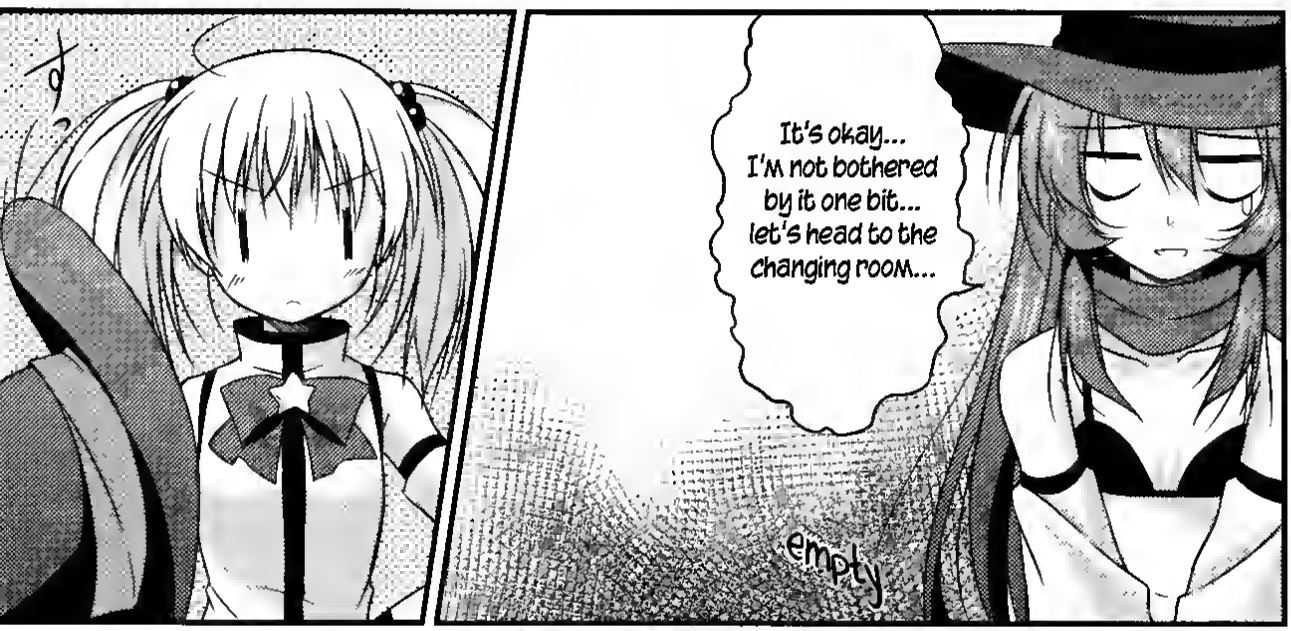
bow
I'm touched... I'll continue to support you from now on, Sensei.

MOPING
That's a real long minute, huh. You looked like you were having so much fun talking to that cute girl too... and you held her hand.
I upset her...!!



It's okay... I'M not bothered by it one bit... let's head to the changing room...

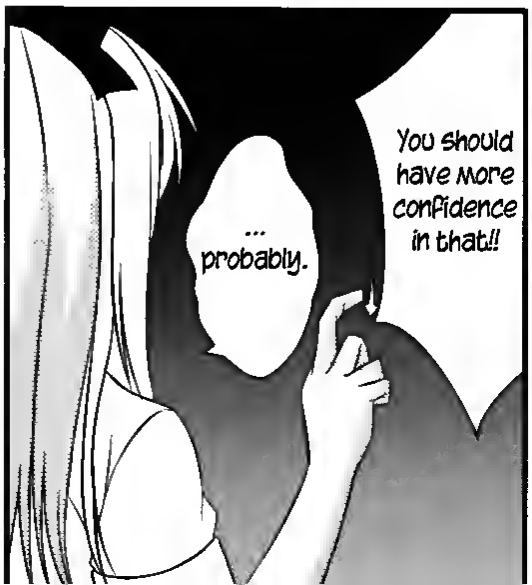
WOOOO!!
Comuket's over!!

Don't worry. I used the hat so no one else was able to see us...



You should have more confidence in that!!
... probably.

BLUSH
My kiss with Toshino Kyouko happened in front of all those people... When I think that someone might have seen us... I get so flustered...

let's go on our date.
Now then, Ayano
squeeze
Okay!
Hmm, Where should we go...
As long as it's with you, I'll go anywhere.
Sure.
Let's get some-thing to eat first.
Oh yeah, Ayano, where would you like to go?

SILENCE
As of now, all of today's services have come to a close.
Thank you for your business.
WE MISSED OUR TRAIN ...!!
What are we going to do, Toshino Kyouko!! We're late!!
I guess this happened because of our (extended) karaoke time after dinner.
What else could it have been!?

What are we gonna do now...
Beep
Hello? Sorry for calling so late in the evening.
Would it be possible to reserve a room right now?
Yes
Ah, it is? I would like a non-smoking room for two, with a double bed.
Who is she talking to?
Yes
We're on our way over, thank you.
Close
Hey, just now, was that...
THUMBS UP
I got us a hotel room!
W-What!?

キラ〜ン
So there you have it, Ayano. I'm not gonna let you sleep tonight.
SMACK
What are you talking about!? Don't decide that stuff on your own, either!!
Oof!

Extra ①
The staff and circle members were all females too... It's Comuket's greatest mystery.
All I saw this year were female attendees again.

Afterword

Thanks for reading through to the end.

I just realized that this is my fourth YuruYuri book. Up until now I've been focused on Lyrical Nanoha and only drew different series once in a while. Though I've done so many one shot type books, I'm able to keep going on and on with YuruYuri. I think this is due to its secret power and unlimited supply of jokes.

I went with Kyouko x Ayano for this book, but there are so many other pairings that I would like to explore, so please look forward to them.
